## Important

### Lost and Stolen

In the event that your SIM card is lost or stolen, please contact Cellhire immediately on the 24/7 helpline to suspend the SIM and discuss replacement options.

Please remember that once the SIM is reported lost/stolen, you will remain responsible for all charges and usage incurred until the network disables the SIM.

## Please Note

### Your phone book contacts

Contacts in your own phone book are stored either on the phone or SIM memory. To ensure you have access to all of your contacts, copy all contacts to your phone memory and activate the phone memory on your handset.

## Making Calls

### Making a local call in the USA

Dial the city code then the phone number and press the call key.

### To make an international call from the USA

Enter the + sign on your keypad then dial the country code, the area/city code, the phone number then press the call key.

For example: If calling the UK, 07774 477000 would become + 44 7774 477000

## Receiving Calls

### Receiving calls from the USA

Callers should dial the number allocated to you.

### Receiving calls from outside the USA

Callers should dial the international prefix for the country they are in, followed by the USA country code, then the USA number allocated to you.

For example: From within the UK:

00 1 222 333 4444 or +1 222 333 4444

## Getting started

If you have rented a device your SIM card has been inserted for you. To insert the SIM card into your device, the gold disc on the SIM must make contact with the connectors inside the device. Insertion is only possible if the SIM is positioned correctly.
